2. Changes: Buyer may at any time make changes in drawings, designs, specifications, materials, packaging, time and place of delivery, method of transportation or other terms of this Order, which changes Buyer shall document in writing and which Seller shall immediately implement. If any such changes cause an increase or decrease in the cost or the time required for performance, an equitable adjustment shall be reflected in Buyer's written change notice, without which Seller has no authority to proceed. Seller agrees to accept any and all changes subject to this paragraph. Seller shall not make any change in the manufacturing process, services or specifications that would affect product or service quality or integrity without providing prior notification to Buyer.
